Save my work in progress

Choose this option if you haven't completed your review or if you want to proof your review before it is submitted. You can return to your "Active Reviews" queue and edit or complete the review at any time. If you have uploaded any of your comments they will enter the "Uploaded Reviews Under Conversion" queue; once the comments are converted to PDF the paper will return to your "Active Reviews" queue. You will be notified if there is a problem converting your file(s).

Submit my review

Choose this option when you are ready to send your comments to the editorial staff. If you have uploaded any of your comments they will first enter the "Uploaded Reviews Under Conversion" queue. Once the comments are converted to PDF your review will be submitted and the paper will then appear in your "Completed Reviews" queue. You will be notified if there is a problem converting your file(s).
